

The Baltic Sea Challenge invites organizations to commit to the protection of the Baltic Sea and to take concrete actions for its well-being.

The Baltic Sea Challenge is open to everyone and free of charge. The initiative was launched by the cities of Turku and Helsinki in 2007.

Accept the challenge and join in!

**Clean, productive,
and shared Baltic
Sea**

Accept the challenge and
make a commitment for the
years 2024-2028!

Join in!

What could your organization do for the Baltic Sea? Get in touch, and let's get to thinking together!

You can join the Baltic Sea Challenge network by signing the commitment for the Baltic Sea.

Already, over 330 organizations from around the Baltic Sea have joined.

The members of the Baltic Sea Challenge network receive:

- ✓ Support for planning and implementing initiatives
- ✓ Events and networking for members
- ✓ Information on current topics
- ✓ Engagement in collective efforts for the well-being of the Baltic Sea

Instructions on joining and signing the commitment at www.itamerihaaste.fi

During the years 2024-2028, the goals of the Baltic Sea Challenge are:

- ✓ Decreasing eutrophication
- ✓ Reducing hazardous substances
- ✓ Increasing biodiversity
- ✓ Promoting sustainable use of the seas
- ✓ Preventing litter
- ✓ Increasing cooperation and inclusion
